

## قائمة بالأبحاث المنشورة للساده أعضاء هيئة التدريس خلال عام 2021

عضو هيئة التدريس	البحث المنشور
<b>National 2021</b>	
<b>Mohamed Abd Elaziz Mohamed</b>	Mohamed, Mohamed, and Maha Gomaa. "Wear resistance and surface roughness of two types of monolithic glass ceramics: An in vitro study." Egyptian Dental Journal 67.2 (2021): 1537-1547.
<b>Nawal hassan aidaros</b>	Ashraf, Reem, and Nawal Aidaros. "Evaluation The Efficiency of Nano Seashell, Sodium Fluoride And A Commercially Available Toothpaste On Dentinal Tubules Occlusion After Acid Attack Using Scanning Electron Microscope: In vitro Study." Egyptian Dental Journal 67.3 (2021): 2783-2794.  The Remineralizing Potential of Different Toothpastes with Different Ingredients on Enamel Surface Microhardness: In Vitro Study ( Accepted in Al- Azhar Dental Journal for Girls; 29 (2021)
<b>Nermine Sorur</b>	N.Sorur, Elhadidy, Mona, et al. "Retromandibular transparotid approach compared to transmasseteric antroparotid approach for mandibular condylar neck fractures: Randomized controlled trial." Egyptian Journal of Oral and Maxillofacial Surgery 12.1 (2021): 14-20.  Shehab, Mohamed, Nermeen Sorour, and Ghada Monim. "Three-Dimensional Evaluation Of The Oropharyngeal Airway Changes After Bimaxillary Orthognathic Surgery Using Cone-Beam Computer Tomography: A Retrospective Analysis." Egyptian Dental Journal 67.2 (2021): 1111-1122.
<b>Ayat Gamal-AbdelNaser Hasan Mohammed</b>	AbdelNaser, Ayat G., et al. "Relation of oral ulcers to quality of life: a cross-sectional study." Tanta Dental Journal 17.4 (2020): 168-182.
<b>International 2021</b>	
<b>Shaimaa Rohym</b>	Rohym, Shaimaa Mosutafa, Asmaa Youssif Harhash, and Mohammed Farid Riad. "One Year Clinical Evaluation of White Spot Lesions with Newly Introduced Resin Modified Glass-Ionomer in Comparison to Resin Infiltration in Anterior Teeth: a split mouth randomized controlled clinical trial from Egypt." Brazilian Dental Science 24.1 (2021): 13p-13p.

## قائمة بالأبحاث المنشورة للسادة أعضاء هيئة التدريس خلال عام 2021

<p><b>Zinab amin ibrahim salem</b></p>	<p>Salem ZA, Mostafa, et al. "Nanomaterials for biomedical applications: production, characterisations, recent trends and difficulties." <i>Molecules</i> 26.4 (2021): 1077.</p> <p>Salem ZA, Amany Hany Mohamed, et al. "The impact of oral health status on COVID-19 severity, recovery period and C-reactive protein values." <i>British dental journal</i> (2021): 1-7.</p> <p>Abubakr, Nermeen, Zeinab Amin Salem, and Amany Hany Mohamed Kamel. "Oral manifestations in mild-to-moderate cases of COVID-19 viral infection in the adult population." <i>Dental and medical problems</i> 58.1 (2021): 7-15.</p>
<p><b>Abdelrahman Soliman Badran</b></p>	<p>Badran, Abdelrahman, Amina Zaki, and Karim Rabie. "One year clinical evaluation of milled BioHPP polyetheretherketone (PEEK)-based versus metal ceramic single crowns (randomized controlled clinical trial)." <i>Brazilian Dental Science</i> 24.3 (2021).</p>
<p><b>Ehsan Hossam Eldin Aly Bayoumy</b></p>	<p>Bayoumy, Ehsan Hossam El-Din, et al. "Clinical and microbiological evaluation of calcium silicate versus calcium hydroxide in two-step indirect pulp treatment: A randomized clinical trial." <i>Journal of International Oral Health</i> 13.1 (2021): 1.</p>
<p><b>Mona Shaaban Mohamed</b></p>	<p>Elawady, Basma A., et al. "Dental Students in Egypt: To What Extent Do They Perceive and Comply with Infection Control Measures?." <i>Journal of Pure &amp; Applied Microbiology</i> 15.4 (2021).</p>
<p><b>Nawal hassan aidaros</b></p>	<p>Aidaros, Nawal, and Raghda Kamh. "Effect of Incorporating Nano-Pearl and Nano-Seashell Particles into Fluoride-based Pits and Fissure Sealant on Enamel Remineralization of Permanent Extracted Molars: An In Vitro Study." <i>Advanced Dental Journal</i> 3.4 (2021): 159-172.</p> <p>Farouk, Hadeel, Rania Mosallam, and Nawal Hassan Aidaros. "Effect of Green Tea, Black Tea and Moringa Oleifera on Remineralization of Artificially Demineralized Enamel and Dentin: An In-vitro Microhardness Analysis." <i>Advanced Dental Journal</i> 3.1 (2021): 24-34.</p>
<p><b>Rasmia Mamdouh Ali Salem</b></p>	<p>Salem RM, Taymour MA, El Naggar GA. clinical performance of lithium-silicate versus monolithic zirconia crowns. <i>Turkish Journal of Physiotherapy and Rehabilitation</i>. 2021;32(3).</p>
<p><b>Ebtesam Osama Abo El-Mal</b></p>	<p>Abo El-Mal EO, Abu-Seida AM, El Ashry SH. Biological evaluation of hesperidin for direct pulp capping in dogs' teeth. <i>Int J Exp Pathol</i> 2021; 102(1): 32-44.</p>
<p><b>Ayat Gamal-AbdelNaser Hasan Mohammed</b></p>	<p>Gamal-AbdelNaser, Ayat. "An Unusual Early Oral Presentation of Acromegaly: A Case Report." <i>Archives of Orofacial Science</i> 16.2 (2021).</p> <p>E.A. Mahmoud, M.Z. Ibrahim and S.Gaafar. What do patients use for treating</p>
